Applicant: Ben Lakhdar et al.  
Appl. No.: 10/597,371  
Filing Date: February 4, 2005  
Title: METAL FIN FOR AIR HEAT EXCHANGER  
Attorney Docket No.: 06096  
Pub. No.: US 2008/0164013 A1  
Pub. Date: July 10, 2008

This is a decision on the request for a corrected patent application publication under 37 CFR 1.221(b), received on July 31, 2008 and resubmitted on November 28, 2008, for the above-identified application

Applicant requests that the application be republished because the patent application publication contains the wrong inventors.

The request is GRANTED.

The corrected patent application publication will be published in due course, unless the patent issues before the application is republished.

The papers including an Oath received by the Office on August 20, 2007 by another attorney acting in a representative capacity and which were scanned into this application and published have been relabeled as an improper document.

Inquiries relating to this matter may be directed to Mark Polutta at (571) 272-7709.
